[Docket No. CP99-155-00]

**Columbia Gas Transmission
Corporation; Notice of Application**

January 21, 1999.

Take notice that on January 13, 1999, Columbia Gas Transmission Corporation (Columbia), filed in Docket No. CP99-155-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon natural gas service currently provided by Columbia to Orange and Rockland Utilities, Inc. (O&R) and UGI Corporation (UGI) under its Rate Schedule X-124, and to abandon the operation of two segments of pipeline owned by O&R and UGI, all as more fully set forth in the application on file with the Commission and open to public inspection.

Specifically, Columbia proposes to abandon: (i) the transportation service currently provided under its Rate Schedule X-124 and, (ii) the certificate authority to operate the facilities located in Steuben and Allegany Counties, New York, that were constructed to provide the service proposed to be abandoned. Columbia states that its Rate Schedule X-124 provided for firm transportation

service by Columbia to O&R for 4,600 Dth/d and to UGI Utilities, Inc., the successor in interest to UGI, for 22,400 Dth/d. Columbia states that the service, facilities and Columbia's authorization to lease and operate the facilities were approved by the Commission on June 28, 1984 in Docket No. CP83-478. Columbia also states that as it does not own the subject facilities, no facilities will be physically abandoned or removed by Columbia as a result of the proposed abandonment.

Any person desiring to be heard or to make any protest with reference to said application should on or before February 11, 1999, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Columbia to appear or be represented at the hearing.

David P. Boergers,

Secretary.
